121 Connections - What is it?

[www. Project 10Million.com](http://www.Project10Million.com) - Real Time Update

As of January 1, 2011, we have had 2,000,000 plus visitors to our Websites representing 202 countries.

Decisions were made in response to Network211 Website evangelism sites such as

www.journeyanswers.com

or

www.who-jesus-is.com

. The incredible news is that this is an ongoing 24/7/365 evangelism crusade around the world!

The Gospel is viewed once every 25 seconds

, on a computer somewhere, and life changing decisions are made.

The process begins with a hurting, lonely person searching the Internet for answers to some of life's tough questions. Search engines direct the person to view one of our sites. Opportunity is then provided for the viewer to click the response button. This is followed by an option to complete a form and connect with us. **Our teams of 1-2-1 Connectors** then connect within 48 hours to all inquiries, and provide online discipleship materials.

Here are the top 5 countries from which people have made commitments during the past 16 months.

- India - 4,979 Commitments
- Philippines - 2,262 Commitments
- Nigeria - 1,645 Commitments
- South Africa - 1,510 Commitments
- United States - 1,427 Commitments

We also have contact in hard to reach countries such as

- United Arab Emirates with 528 Commitments
- Pakistan with 363 Commitments
- Ethiopia with 369 Commitments
- Saudi Arabia 164 Commitments
- Qatar with 97 Commitments

Pray with us as we develop strategies and raise the funds necessary to provide Internet evangelism in other languages. In addition to English, we are currently have evangelism Websites in Indonesian, Farsi, Chinese and Vietnamese. Our software is capable of handling all languages. The challenge is finding 121 Connector volunteers for more languages and funding.
